## Instructions for Filling Out Parenting Plan (Parent-Created)

Use of the Parent-Created Parenting Plan is intended only for those cases in which one of the parties plans to seek full custody of the minor children of the parties.

If you want things in your Parenting Plan besides those in the sample Parenting Plan, you can add them to your Parenting Plan. Likewise, if you do not want some things in your Parenting Plan that are in this sample Plan, you can take them out of your Parenting Plan. For example, you may want to add other holidays, take out particular holidays, change time periods, change the method of pick up and return times for visitation, change the length of time for summer visitation, etc. Also, if you observe holidays that are not included in this sample Plan, you can add language to your Plan about those holidays. Remember, this is your Parenting Plan and it should meet your individual needs.
